General information

1.0 Purpose

To provide a listing of assessors approved under the [Workplace Health and Safety Regulations](#) to conduct assessments for high risk work licencing. The listing includes assessors approved interstate that submit licence applications to NT WorkSafe.

2.0 Background

OHS authorities approve assessors for high risk work licences. Approved assessors may conduct assessments Australia-wide provided they satisfy that state or territory's requirements.

3.0 Regulatory Requirement

Regulation 28 of the Workplace Health and Safety Regulations prescribes the conditions for registering assessors.

Regulation 15 of the Workplace Health and Safety Regulations prescribes the requirement for high risk work licences.

4.0 Method

Assessments are conducted using the national assessment instruments.

5.0 National Standard for Licensing Persons Performing High Risk Work

As part of the national harmonisation of occupational health and safety legislation, the Northern Territory Government adopted the [National Standard for Licensing Persons Performing High Risk Work](#) (the Standard) on 30 June 2010.

Assessors who have not yet adopted the new National Standard have two years to comply and may continue to operate under the previous NOHSC: 1006 until 30 June 2012.

Assessors who have adopted the National Standard have been registered by the Authority for a period of three years.

For further information please contact NT WorkSafe on 1800 019 115 or go to worksafe.nt.gov.au, Telephone: 1800 019 115, Facsimile: (08) 8999 5141
