Function and Purpose of the Advisory Council

The Work Health and Safety Advisory Council (WHSAC) is a tripartite body, established to provide advice on the administration of the *Work Health and Safety (National Uniform Legislation) Act* and standards of work health and safety in the Northern Territory.

In accordance with schedule 2(3) of the *Work Health and Safety (National Uniform Legislation) Act*, the functions of the Council are:

(a) to keep under review the operation of this *Act*;

(b) to make recommendations to the Minister on possible changes to:

(i)  the administration of this *Act*; or

(ii) standards of work health and safety in the Northern Territory;

(c) at the request of the Minister, to investigate and report to the Minister on matters relating to work health and safety; and

(d) to perform any other advisory functions relating to work health and safety as the Minister directs.

Membership of the Advisory Council

Schedule 2(4) of the *Work Health and Safety (National Uniform Legislation) Act* outlines membership of the Council as follows:

1. The Council consists of:

   (a) the person constituting the Authority under section 4(3) of the *Work Health Administration Act*; and

   (b) not more than 10 other persons appointed by the Minister.

2. The members appointed under subclause (1)(b) must:

   (a) include persons with a wide range of experience extending as far as possible across all major industry sectors in the Territory; and

   (b) as far as practicable, consist of equal numbers of representatives of organisations representing employees.
