2. Complete rigging work
3. Demolish structures and/or plant (for intermediate and advanced rigging only)

Please complete all relevant technical information on page 2 and 3 

putting safety first >

(1510) Basic rigging

Elements of competence:

- | | |
|--|---|
| 1. <input type="checkbox"/> Plan job | <input type="checkbox"/> Select, inspect and if necessary repair material and tools |
| <input type="checkbox"/> Coordinate transport of equipment to site | |
| 2. <input type="checkbox"/> Prepare site for rigging work | <input type="checkbox"/> Move loads |
| <input type="checkbox"/> Plan and secure the load | <input type="checkbox"/> Ensure continuing stability |
| <input type="checkbox"/> Dismantle and remove loadshifting equipment | |

Range statement – equipment range is dogging and rigging work associated with:

- | | |
|--|---|
| <input type="checkbox"/> Movement of plant and equipment | <input type="checkbox"/> Steel erection |
| <input type="checkbox"/> Particular hoists | <input type="checkbox"/> Placement of pre-cast concrete |
| <input type="checkbox"/> Safety nets and static lines | <input type="checkbox"/> Master climbers |
| <input type="checkbox"/> Perimeter safety screens and shutters | <input type="checkbox"/> Cantilevered crane loading platforms |

(1520) Intermediate rigging

Elements of competence:

- | | |
|--|---|
| 1. <input type="checkbox"/> Plan job | <input type="checkbox"/> Select, inspect and if necessary repair material and tools |
| <input type="checkbox"/> Coordinate transport of equipment to site | |
| 2. <input type="checkbox"/> Prepare site for rigging work | <input type="checkbox"/> Move loads |
| <input type="checkbox"/> Plan and secure loads | <input type="checkbox"/> Ensure continuing stability |
| <input type="checkbox"/> Dismantle and remove loadshifting equipment | |
| 3. <input type="checkbox"/> Plan and execute the job (demolish structures) | |

Range statement – equipment range is dogging and rigging work associated with:

- | | |
|--|---|
| <input type="checkbox"/> Movement of plant and equipment | <input type="checkbox"/> Steel erection |
| <input type="checkbox"/> All hoists | <input type="checkbox"/> Placement of pre-cast concrete |
| <input type="checkbox"/> Safety nets and static lines | <input type="checkbox"/> Master climbers |
| <input type="checkbox"/> Perimeter safety screens and shutters | <input type="checkbox"/> Cantilevered crane loading platforms |
| <input type="checkbox"/> Tilt slabs | <input type="checkbox"/> Rigging of cranes, conveyors, dredges and excavators |
| <input type="checkbox"/> Demolition | <input type="checkbox"/> Dual lifts |

(1530) Advanced rigging

Elements of competence:

- | | |
|--|---|
| 1. <input type="checkbox"/> Plan job | <input type="checkbox"/> Select, inspect and if necessary repair material and tools |
| <input type="checkbox"/> Coordinate transport of equipment to site | |
| 2. <input type="checkbox"/> Prepare site for rigging work | <input type="checkbox"/> Move loads |
| <input type="checkbox"/> Plan and secure loads | <input type="checkbox"/> Ensure continuing stability |
| <input type="checkbox"/> Dismantle and remove loadshifting equipment | |
| 3. <input type="checkbox"/> Plan and execute the job (demolish structures) | |

Range statement – equipment range is dogging and rigging work including:

<input type="checkbox"/> Movement of plant and equipment	<input type="checkbox"/> Steel erection
<input type="checkbox"/> All hoists	<input type="checkbox"/> Placement of pre-cast concrete
<input type="checkbox"/> Safety nets and static lines	<input type="checkbox"/> Master climbers
<input type="checkbox"/> Perimeter safety screens and shutters	<input type="checkbox"/> Cantilevered crane loading platforms
<input type="checkbox"/> Tilt slabs	<input type="checkbox"/> Rigging of cranes, conveyors, dredges and excavators
<input type="checkbox"/> Demolition	<input type="checkbox"/> Dual lifts
<input type="checkbox"/> Rigging of gin poles and shear legs	<input type="checkbox"/> Flying foxes and cableways
<input type="checkbox"/> Guyed derricks and structures	<input type="checkbox"/> Suspended scaffolds and fabricated hung scaffolds

Details of licences that are particular to this application, e.g. interstate licences, certificates etc.
