

Work environment

CH 0016

Heat stress checklist >

Item	Yes	No	N/A	Issue / Action taken	Person responsible	Stat and Completion Dates
Do you provide workers in an outdoor environment with water that is suitable for drinking (at least half a litre per hour for each worker during hot weather)						
Is work rescheduled to the cooler parts of the day and heavy jobs rotated among workers?						
Are workers directed to take extra breaks during hot weather?						
During hot weather are workers instructed about what to do to reduce the risk of heat stress?						
Are workers instructed about the symptoms and first aid treatment of heat stress?						
During hot weather are workers told who to report to if they or a co-worker are feeling ill?
